Unfinished Business

New Business

Due to the pandemic, we were unable to have the first four meetings of the year, and along with the dam issues a motion was made on the floor "that in the best interest of the club" the current officers remain in their positions for the 2021 year. After some discussion on the floor a vote was held and passed.

Good of the Order

John Snook talked to former assemblyman Joe Malone who said to write up a letter stating what is going on and what we know and he will talk to assemblyman Ron Dancer and try and him on our side. John has already been in contact with Ben about this.

Kirk Everett Sr. was talking to a person he knows who was influential EPA guy in NY who suggested going through deed as it may show land was given or an exclusion may be in there. Also look into FEMA for any possible grants or anything. Edgebrook has been sold, get your stands off. We still have Merrick Rd piece, and Will Fiordland mad know that he would meet up with people to post that line.

Paul Pullen stated he has 2 new poles for the bridge, and when he gets a trailer will bring them down from where he is currently working.
