Trustees: Ben, Chris, Ryan and Mike had a telephone conference call with the county, our attorney, and county engineers about the dam. Our position is we do not have the funds. Talked about a number of things including fixing, or removing the dam. When the call was finished, the trustees and the lawyer felt like the county want to decommission the dam from the conversation that was held. Studies and engineering would still need to be done. Eliminating the dam would also keep from future issues and same troubles down the road that the next generation of FFF members will not have to deal with. Had work day March 13th, 7 guys showed, a lot of wood was cut. Thanks to Joe Demuth for all he did. It was brought up about putting more effort into sell wood coming off the point and/or selling trees, but Paul brought up the fact that those tree and the wood are "camp fire" wood and not of much value like hard woods are.

Communication and Bills - Letters of excuse were read from Scott Cohorsky, Craig Carpenter, Jonathan Scheid, Bryan Shanko, and Ryan Rapos. All were accepted. Applications were received from Kurt Jordy, and Walter Markashevsky. Both were accepted.

-A motion was made, seconded and approved to pay the bills totaling \$5015.97.

Installation of New Members
