**Trustees:** -Will be holding a work day this Saturday, will be doing work on the house inside (sheetrock, painting/priming, cleaning etc). If anyone knows an electrician, please have them contact the trustees. There are paint cans and propane tanks outside the house, if anyone has a way to get rid of them, please do, as we cannot put them in the dumpster. Poured concrete at the corner of our building, would like to thank Will Fiordland for donating supplies and time. Thank You Will! There is plenty of work to fulfill worktime with a bunch of side jobs that will need to be done on the house and around the club. Please check with the trustees before doing anything on your own though. With all the work that is needed on the house it is being asked of the members to please put in a little extra work time this year. Step up if you can. Thank You.
