Trustees: -Will be holding a work day May 20th, will be doing work on the house along with other things. Ben T III will be running it, and will be sending out an email about it. Will also be holding a work day on Aug. 26th for posting. There is plenty of work to fulfill worktime with a bunch of side jobs that will need to be done on the house and around the club. Please check with the trustees before doing anything on your own though. With all the work that is needed on the house it is being asked of the members to please put in a little extra work time this year. Step up if you can. There are already a few members that have put in a lot of extra work time into the house already. Thank You.

Communication and Bills - Letters of excuse were read from Ben Tartaglia Jr, Matt McElroy, Aaron Lake, & Paul Pullen. All were accepted.

- A motion was made, seconded and approved to pay the bills totaling \$0..

Installation of New Members

Roger Hill, Mitchell Issertell, and Tom Carrol were sworn in as Probationary Members.

Unfinished Business

New Business

Rich Stockton asked that the trustees look into some rules on how the club handles the black permit. A discussion was held on the floor and then A motion was made, seconded and passed to have the trustees look into structuring the black permit.

Good of the Order

-It was brought up on the floor that due to Paul Pullens current health situation that his committee and work time be waived until he is better. Members and Life members offered to handle his time. -Life Member John Luyber discussed that seniority always has and always will have its place in this club. You have to start at the bottom and work your way up. It's just how it is. And to quote Frank O, "Stop with all this Cunt Shit".
