Trustees: -Held a work day May 20th, Did a lot of painting and other work on the house. Still more painting needs to be done. Looking at flooring. Mike Briel will be supervising the install of the flooring, but need to finish the painting before the flooring is started. Will also be holding a work day on Aug. 26th for posting. There is plenty of work to fulfill worktime with a bunch of side jobs that will need to be done on the house and around the club. Please check with the trustees before doing anything on your own though. With all the work that is needed on the house it is being asked of the members to please put in a little extra work time this year. Step up if you can. There are already a few members that have put in a lot of extra work time into the house already. Thank You. Trustees looked into the black permit and determined that it is the land owner that controls this, not the club. If you do have an interest, reach out to someone on the permit. Mike will be handling paperwork for the woodlot management, and will look into what we need to start doing. If you know of any land, reach out to Ryan as he has a letter drafted to give to land owner. Trustees will be starting the bidding process on land.

Communication and Bills - Letters of excuse were read from Ben Tartaglia Jr, Mark Offermann, & Michael Briel. All were accepted.

- A motion was made, seconded and approved to pay the bills totaling \$1564.34.

Good of the Order

-Kirk Jr thanked everyone of their support, and also said that he will be moving forward with updating club stuff that relates to the website and emails that Kirk Sr ran. Will be looking into Google drive for hosting things and email which may also eliminate some of the email issues we were having. Ben T also stated that he may be able to get his brother to help get things set up. Kirk also stated that he will be bringing down some of Kirks old hunting stuff, and also to contact him if you have any interest in the tools and equipment Sr had.

-Greg M. brought down a 20ft ladder stand that can either be set up on the pole where Shawn had his, or if someone just wants it.
