Greetings to all Members Active and Life,

Hope that this Email finds everyone safe and healthy. Our President Mike Shanko Jr. called out to the Officers and Trustees to have a brief outdoor meeting on April 1st to go over the status of the club. The meeting was held outdoors and followed all Social Distancing Guidelines. It did seem as though a few cars slowed down enough to check our numbers and distance apart. (Social Distancing Police??)

The main points of the meeting were to go over what we need to do to keep the club up and running in these times along with the status of some of the upcoming events.

President

Everyone please keep safe and stay healthy. If you do come down to the club please remember to practice safe social distancing and other guidelines that may be put in place by State and or Federal government. We do not want to draw any unnecessary attention to the club.

Treasurers

1. Financially the club is in good shape at this point.
2. All bills have been paid and new bills are being taken care of by Mike and Joe as they come in.
3. Dues: Membership dues will still need to be paid, but we will not be looking at 8 weeks in arrears until at least the 3rd meeting that is held when this pandemic is over. That being said, if you would still like to pay your dues, it would be greatly appreciated. Please mail or place your dues checks in the box inside the door at the club. If you send a check or drop a check into the box please text Mike (609 933-5040) or Joe (732 614-4151) and let them know.

Secretaries

1. Meetings: All Normal Sunday and Wednesday meetings are on hold till further notice.
2. Minimum Attendance and Missed meetings will be adjusted as needed depending on the length of this pandemic and when we will be able to have meetings again.
3. Missed meeting notifications will also not start again till at least the 3rd regular meeting.

Trustees

1. Work days will be determined by what needs to be done around the club and club grounds and properties.
2. If you should come down to the club and you see something that needs to be addressed, please notify an officer or trustee so that it can be addressed. (Of course if it is something that you can just take care of yourself, please do)

Upcoming Events

1. Trout Day of course is cancelled, but a Trout stocking will be held. At this time the date of the stocking is TBD (Surprise Stocking) as a delivery date from Musky Trout hatchery has not been finalized. **Important, since there will be a stocking but not an event, fishing is limited to immediate family only! (Kids and Spouses)** Have fun fishing, if you catch a trout then stocking occurred. Please remember Social Distancing when down at club. (please this is being stressed as to not draw undue attention to the club)
2. Beef and Beer is still on at this point for June 20th. Will keep everyone posted on ticket distribution. More information to follow as available.

Please stay safe and healthy

We hope to see everyone again soon.

Your Fin Fur and Feather Officers and Trustees
