Re: Dam Safety Inspection Report for Red Valley Dam
NJ Dam File No. 28-25
Upper Freehold Township, Monmouth County

RECEIVED

NOV 26 2018 P
42585 P

ENGINEERING DEPT

cc: Deb D, Ink

ming, Red Valley Dam

Dear Dam Owner/Operator(s):

A review of the Department of Environmental Protection's (Department) files indicates you are now overdue for submission of a dam safety visual inspection report to the Department as required by Dam Safety Standards, N.J.A.C. 7:20-1.11.

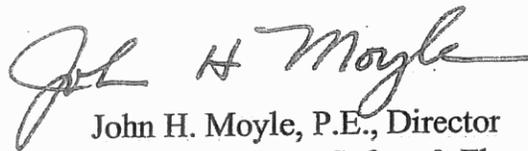

Please note, all parties listed above have been identified as having a partial ownership interest in this structure and therefore a responsibility in its inspection, maintenance and repair (if required). The Department urges all of the listed owner/operators to coordinate efforts to submit a complete inspection report (including Compliance Schedule), as well as perform any required maintenance, repairs or studies.

In view of the above, under provisions of the Safe Dam Act (N.J.S.A. 58:4-1 et seq.), you, as owner/operator of this dam, are hereby ordered to submit the required dam safety inspection report for this dam, completed by a New Jersey-licensed professional engineer experienced in the design and construction of dams by **April 15, 2019**. Please note this order does not relieve you of any other order or request for information which may be due to this office in connection with the safety/rehabilitation of this structure. A copy of the Department's Guidelines for the Inspection of Existing Dams is available as a Microsoft Word Document which may be downloaded from the Department's web site at www.nj.gov/dep/damsafety.

Failure to **submit** this report to our office by the stated deadline will result in the issuance of a Notice of Violation and Offer of Settlement (NVOS) with corresponding monetary penalties. No further extensions will be considered. In addition to the imposition of monetary penalties, an Order to drain the impoundment and remove the dam may also be issued.

Should you have any questions regarding this matter, please contact John Kale of this office at (609) 984-0859.

Sincerely,

A handwritten signature in black ink that reads "John H. Moyle". The signature is fluid and cursive, with the first name "John" being particularly prominent.

John H. Moyle, P.E., Director
Division of Dam Safety & Flood Control

c: Upper Freehold Township Engineer & Clerk
Monmouth County Engineer
