2018 Regular Inspection Report
Upper Freehold Township

Dear Mr. Moyle:

Please find enclosed the 2018 Regular Inspection Report commissioned by the County of Monmouth for Red Valley Dam located in Upper Freehold Township. This report was commissioned to comply with NJDEP-BDS requirements and is submitted without prejudice as to dam ownership.

While the inspection report is signed and sealed by our consultant, French & Parrello Associates, P.A., it has not been signed by the dam co-owners identified in your letter of November 19, 2018, copy enclosed. The compliance schedules are identified as "To Be Determined" for the County to pursue compliance resolution with the identified co-owners. By copy of this correspondence, the County is forwarding the 2018 Inspection Report to Upper Freehold Township and the Fur, Fin and Feather Club and requests a meeting to discuss the dam ownership and respective responsibilities.
